Dear Clerk,

The attached Multi-Court Exemption Application and supporting documentation requests an exemption from EPA fees for Dr. Yonathan Arbel from 02/22/2023 through 01/01/2024. We recommend the exemption request be approved.

The Electronic Public Access Fee Schedule provides that a court may consider exempting individual researchers associated with educational institutions if they have shown that the defined research project is intended for scholarly research that is limited in scope and not intended for redistribution on the internet or for commercial purposes. A request is limited in scope if the amount of exempt access requested is narrowly tailored to meet the needs of the defined research project. Dr. Yonathan Arbel is an associate professor at law with the University of Alabama Law School . He is researching on contract litigation with a focus on 3 NOS Codes from 2012 to 2022.

Dr. Yonathan Arbel PACER account number is 5041967. For your convenience, a sample order is attached. If your court chooses to grant Dr. Yonathan Arbel's exemption request, please forward a copy of the order to the PACER Service Center at pacer@psc.uscourts.gov and to this mailbox at Multi-CourtExemptions@ao.uscourts.gov.
